tz
11

TERMINAL DISCLAIMER

The Assignee, Vanderbilt University, of the entire interest in the above-identified application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of United States Patent No. 5,453,357 as shortened by any terminal disclaimer. Assignee hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to United States Patent No. 5,453,357. This agreement runs with any patent granted on the above-identified application and is binding upon the grantees, their successors or assigns.

In making the above disclaimer, the assignee does not disclaim any terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154 to 156 and 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a
